

# How Much Will the Referendum Cost Taxpayers?

You will be asked to increase the limiting rate for Levy Year 2013 by 50 cents for every 100 dollars of assessed net taxable value (1/3 of market value) for property in the school district. *In other words,*

If your property's market value is:		Then your property's net taxable value is:		The difference in your property tax bill will be:
\$75,000		\$25,000	X	.0050 = \$125
\$100,000		\$33,333	X	.0050 = \$167
\$150,000		\$50,000	X	.0050 = \$250
\$225,000		\$75,000	X	.0050 = \$375
\$300,000		\$100,000	X	.0050 = \$500
