(on SpellingCity under Mrs. Ebbs - 3rd Grade Stories)

No Spelling This Week!!!

We will be reviewing spelling/phonics skills we've already learned.

Student Council will be selling strawberries 4 for 50 cents, or parfaits for \$1 this week

Mrs. Ebbs' Assignment Sheet for the week of October 9, 2017

I hope everyone enjoyed their four day weekend! We have another four day week and there's lots to do. We won't be having a spelling list or test this week, as we want to review the skills we've learned so far. We'll get back to our spelling routine next week. The class party note went home last week, please return these or contact Jill with how you can help. Third grade is also collecting items for our carnival basket. Please send anything you can donate in, so we can start putting them together. We had our first classroom 'Hot Ticket' store last week. Students enjoyed cashing in the hot tickets they'd earned throughout the year so far. I try to do this every 4-6 weeks.

Spelling: We'll review the skills we've learned so far. There is no test this week.

Math: Look out multiplication, here we come! We'll start learning what multiplication is this week.

Reading: Fairy Tales are fun for all kids to read. We'll compare and contrast several, and read some for fun.

Writing: Students will write a fractured fairy tale this week, or make one up using their imagination.

Social Studies/Science: We used our knowledge of force and had fun building bridges with only two pieces of paper. Students enjoyed working with partners to create the strongest bridge.

Upcoming Dates and information:

Thursday, Oct 12	Picture Retakes
Thursday, Oct 12	School Board Meeting 6:00 in the library
Friday, Oct 13	Sunset Concert at UP 6:00
