**Spelling Words for the week: No Spelling This Week (on SpellingCity under Mrs. Ebbs - 3rd Grade Stories)**

**We will not be doing a spelling unit this week due to the Short week and activities going on. We will review skills we've learned this year.**

*Mrs. Ebbs' Assignment Sheet for the week of February 12, 2018*

We're still in need of 2-liter bottles for the lemonade stand! If you have any, please send them in. The Book Fair is open this week, and will be open Thursday night during Academic Night. This week will be busy, but fun. Students will learn about sales and marketing, and put all of their economic knowledge to the test running our lemonade business Thursday night during Academic Night. Notes went home last week to sign up for a shift. Please return them as soon as possible, so we can get the schedule set. Friday is an 11:30 dismissal, and we'll be putting our Olympic skills to the test. We'll be celebrating Valentine's Day on Wednesday. Students should bring a valentine for each student in class. Please let me know if you need another class list.

**Spelling:** No Spelling unit this week.

**Math:** We'll throw in some money this week, while we practice making change for Thursday night.

**ELA/Reading:** Students enjoyed reading The Lemonade War! Our focus this week will be on understanding and writing slogans, advertising, and how we can connect it to what the characters did in the story.

**Writing:** Students will write their own advertising and slogans for our lemonade stand business.

**Social Studies/Science:** We'll learn about supply and demand, and how we can apply our knowledge to running our business Thursday night.

**Upcoming Dates and information:**
