organist lioness shipper chemist investor conductor

Challenge

announcer pharmacist journalist commuter pianist

Mrs. Ebbs' Assignment Sheet for the week of February 12, 2018

We had a very busy, but fun week last week. We learned all about running a business and how supply and demand affect prices. We put our knowledge to the test running our lemonade stands. Students enjoyed selling lemonade and had a great time. Shout out to Jill Davis for organizing our Valentine's Day activities and running an amazing book fair. Don't forget that Young Author books are due on the 28th of this month. You still have time to get one written!

Spelling: Suffixes -er, -or, -ess, -ist. Practice taking the suffixes on and off to learn the meanings of the words.

Math: We're using variable in our multiplication and division problems. Keep practicing those facts at home, but remember speed isn't as important as knowing them.

ELA/Reading: We'll get back to our reading book this week, reading the story "The Statue of Liberty". We'll learn about the history of the statue and other monuments around our country.

Writing: Students will create a Unity Point monument this week.

Social Studies/Science: We'll discuss Presidents' Day before moving into our next science unit.

Upcoming Dates and information:

Tuesday, Feb 20	PTO Meeting 5:30
Friday, Feb 23	PTO Game Night 6:00 - 8:00
Wednesday, Mar 7	PTO Meeting 5:30
