because    though    taught    bought    touch    would    author    could

enough    sausage    fought    should    faucet    daughter    brought

**Challenge**

laundry    distraught    afterthought    auditorium    overwrought

## ***Mrs. Ebbs' Assignment Sheet for the week of March 26, 2018***

PARCC testing for 3rd grade will start Tuesday, April 3rd. Please make sure to get a good night sleep and eat breakfast each morning. If you're willing to donate snacks for testing days, please send them in or contact me this week. Math-a-Thon packets went home last Thursday. If you're interested in participating permission slips need to be returned by Tuesday. Spring pictures are this Wednesday. If you want your spring picture taken, please send in the form (these are just for purchasing).

**Spelling:** Vowel Patterns. Study hard it's a short week and the test will be on Thursday.

**Math:** We'll be learning about perimeter and area this week. Don't forget to keep practicing those multiplication facts.

**Reading:** Students enjoyed learning about many famous women last week. We'll go over some testing strategies this week, and do some practice PARCC tests to see how they look.

**ELA/Writing:** It's figurative language time. We'll review similes and metaphors, and learn all about personification and more.

**Social Studies/Science:** We'll finish up the water cycle and learn about clouds.

### **Upcoming Dates and information:**

|                           |   |
|---------------------------|---|
| <b>Thursday, Mar 28</b>   | <b>Lifetouch Spring Pictures</b>          |
