<b>Science/ S.S.</b>	Tornadoes & Hurricanes	Types of Clouds	Mystery Science	Cloudy with a Chance of Meatballs	Field Trip

**Spelling Words for the week:**

We will review some spelling skills this week.

There will be no test.

## ***Mrs. Ebbs' Assignment Sheet for the week of April 9, 2018***

Kids have been working hard on their PARCC test. We'll finish the state testing this week, and do our final benchmark assessments. We'll have some fun this week with a field trip to SIUC. Students will get to be 'scientist' for a day by going to different College of Science departments on campus and doing activities. Students will need a sack lunch and to wear tennis shoes that day (no open toed shoes in the labs). Please bring sack lunches in disposable bags, we don't want to carry lunch boxes around all day. Remember to return your registration packets for next year ASAP, so we can work on numbers. Clean those closets for the PTO yard sale on April 28th, they could also use some help with drop-offs on the 27th and the sale on the 28th. There will be information coming home soon about a quick Book Fair on May 4th and 5th. It's buy one get one free, so keep an eye out. Check your student's daily take home folder for information.

**Spelling:** Due to PARCC testing, we'll be reviewing some spelling/phonics skills this week.

**Math:** We'll finish our PARCC test and get our benchmark assessments in.

**Reading:** It's poetry month! We'll be reading lot of different poems and working with figurative language.

**ELA/Writing:** Students will use their skills to write some great poetry this month.

**Social Studies/Science:** We're continuing to learn all about the weather. How scientists study it, and how to stay safe.

### **Upcoming Dates and information:**

Thursday, April 12	School Board Meeting
Thursday, April 19	Peter Pan Jr. Musical
Friday, April 20	Peter Pan Jr. Musical
Saturday, April 21	Peter Pan Jr. Musical Dinner Theater
