 afraid      nickel      sugar      circus      item      gallon      melon

**Challenge**

character      cardinal      Oregon      particular      dinosaur

***Mrs. Ebbs' Assignment Sheet for the week of May 7, 2018***

It's the last month of school, and there's so much to do! Last Friday a note went home about our 3rd grade pet day. Please return the note, or get in touch with me if you plan on bringing a pet that day. Our class will have Pet Day, Thursday, May 24th. This week I'll be sending a note home about our End of the Year fun day. It will be Wednesday, May 23rd. Watch for more information. Ms. Feeman and I are working on a summer enrichment packet for students. We'll be sending it home the last week with incentives for students to work on over the summer. This will help students retain their skills before going into 4th grade.

**Spelling:** It's a short week, so our spelling test will be on Thursday! Our words this week have the schwa vowel sound. Say the words slowly listening for the sound you hear. It's a special vowel sound, not short or long. Practice words with these sounds and how they're spelled.

**Math:** We'll be looking at data and graphs this week.

**Reading:** This week is all about bread! We'll learn about some special Mexican breads and read Jalapeno Bagels. Have you ever tried one?

**ELA/Writing:** Students will use their strong adjectives and adverbs to write commercials about bread this week.

**Social Studies/Science:** Last week students finished their landform research, and will help me teach their landform to the class this week.

**Upcoming Dates and information:**

<b>Thursday, May 10</b>	<b>School Board Meeting 6:00pm</b>
<b>Friday, May 11</b>	<b>No School</b>
<b>Monday, May 28</b>	<b>No School</b>
<b>Tuesday, May 29</b>	<b>Last Day for Students, 1:00 Dismissal</b>
