

Application for a Temporary Exception to Internet Filtering

The Unity Point School DISTRICT COMPUTER SYSTEM USE AND INTERNET SAFETY POLICY as adopted by Board Policy 625.15, Acceptable Use Policy for Computers and Internet, establishes the use of technology protection measures (or "Internet filters") to enforce said policy. This application requests the disabling or otherwise modifying the "Internet filters" for bona fide research or other lawful purpose. During the timeframe established by this temporary exception, the applicant agrees to limit the use of the System to educational purposes and shall be consistent with the District's educational mission and the curriculum adopted by the Board.
